Hastings Local Council Election 2nd May: vote for year-round hard work

VOTE FOR JO WALKER

A STRONG LOCAL CANDIDATE ALREADY WORKING HARD FOR ORE

Hastings Green Party is delighted to announce that hard-working local campaigner **Jo Walker** has been selected as your candidate for Ore ward in the local council elections on 2nd May. Jo says, "It's an honour to be chosen to represent Ore, where I've lived all my life. I am passionate about making Ore cleaner, greener and safer for us all."

Jo has already been working hard to help improve things with regular litter picks. Jo explains, "There used to be regular street cleansing but that's been drastically reduced. Old London Rd and Victoria Avenue are particular hot-spots that I clean regularly. I will keep doing my bit and am pushing the Council to improve their waste services and cleaning in the area."

GREAT NEWS! GREEN JO GETS WINCHELSEA RD FINALLY FIXED THEY RESURFACED THE WHOLE JUNCTION RATHER THAN PATCHING IT UP

Active local resident and your Green candidate, Jo Walker, has been busy reporting hundreds of potholes and broken pavements to ESCC and getting things fixed. Jo explains, "I began reporting Winchelsea Road junction back in October. People were telling me how dangerous it was, not just for cars but cyclists and pedestrians too, with many near-accidents."

Jo says, "I was especially concerned because of the Hastings Half Marathon. After repeatedly reporting it to the

Conservative-led County Council to no effect, I asked our Green County Councillor for Tressell, Julia Hilton, if it could be prioritised. I am delighted to report they've now resurfaced the whole junction!"

Jo has reported over a hundred repairs to ESCC, including along Pinders Walk and Crowborough Road. Jo says, "It's a lot of work reporting all these repairs but I know how important it is to residents and I'm determined to get them fixed."

Cllr Haffenden says, "I'm delighted Jo is standing. Jo is passionate about improving Ore and really proactive in getting things done. Together we held a surgery for residents where Jo organised PCSO John Tytherleigh to join us and hear residents' concerns about parking, drug dealing, motorbike thefts and dangerous driving.
